Subject: Main Dewey-Burdock Docket Website for receiving public comments is down

We are aware that the regulations.gov site is experiencing technical difficulties. We have been told that they are working to remedy the situation, and we expect that it should be resolved within about 24 hours.

In the meantime, you may if you choose submit your comments on this action at
<https://beta.regulations.gov/docket/EPA-R08-OW-2019-0512>.

Given these circumstances, we are extending the public comment period to Wednesday, December 11, 2019 until 11:59 pm. You will receive a follow-up email if the docket website is back online at regulations.gov by this new deadline.

Thank you!

Hi Wendy,

You are not a member of the Underground Injection Control web area and cannot make updates. To add you, I will need approval from the EIC, Jeff Jollie (jollie.jeff@epa.gov).

I am able to get into Web CMS, however the file I need to edit is not available to me today. Is this possible? Thanks,
Wendy
